

MY MOTTO? TRUST WHAT SETS YOU FREE.
FOR MY ACCESS CONTROL READERS? SAME.

STid is the leading French manufacturer of instinctive, contactless security technology—serving the world's most competitive businesses. There's no higher level of security available to protect your most valuable assets: your people, property and data. Everything we create makes life easy for your users. And our open technologies free you to adopt any future solutions you choose.

STid. Lock Down Peace of Mind.
