Innovative technologies and solutions from Prod360 provide peace of mind to military and first responder organizations responsible for public safety and security.

**Scanforce.** Hands-free, "all in one" metal detector gloves, securing control with full freedom of movement, facilitate police officers' missions, prevent injuries of officers and work accidents when searching suspects.

**Be Weapon.** Weapon and equipment RFID tracking solution – know where your equipment is, and who has it, at all times. Optimize operational management, improve logistics process for rapid team deployment and speed up preparation of weapon and shipments.

**Iwitness.** 10 years expertise providing Body Worn Cam solutions to Police and various law enforcement agencies. Discover, collect and preserve evidence. New 4G live streaming body-cam, safety, transparency, peaceful public interactions, accountability and professionalism.

**Protecop.** 35 years expertise manufacturing protective equipment and ballistic protections for law enforcement, first responders, armed forces and private security companies. Constantly innovating: 50 patents, 200 models, 20 brands and tailor-made services.
